Estimated date of exit of exhibition goods: March, 29~30, 2025

Exhibitor Region	Exhibit file submission final deadline	Warehouse Collection Final Deadline
China	March 1 st	March 14 th
Macao	March 18 th	March 21 th
Hongkong	March 18 th	March 21 th
**The final deadline for submitting exhibit documents is calculated based on general categories of goods, and no special operations are required.		
**Because domestic or Hong Kong exhibits arrive in Macau across the border, they need to be declared to the customs of the two places. If the exhibits belong to the regulated category of goods, they need to apply to the relevant government departments for import/export licenses or special documents. The application period may exceed 20-22 working days; exhibitors are recommended to provide information and documents in advance for evaluation or approval.

● **Exhibition entry operation process:**

1. All exhibits will be arranged to arrive in Macao 2 to 3 days before the exhibition and will be temporarily stored in the warehouse to ensure that the goods are delivered to the venue and exhibitors' booths on time.
2. When the goods arrive at the venue, they are temporarily stored in the loading and unloading area or temporary storage area in the exhibition venue.
3. After the exhibitor arrives at the venue, deliver the goods to the designated booth and sign POD (Prove of Delivery) with the exhibitor.

● **Arrangements for exiting the exhibition:**

1. 1 to 2 days before the exit, we will contact the exhibitor and confirm the quantity and plan of the exit goods.
2. Before exiting the venue, we will make final confirmation of exhibit information with exhibitors.
3. After the exhibition venue is closed, arrange to collect the goods in the exhibition hall and send them to the warehouse for temporary storage.

According to the exhibits collection situation of the night and the requirements of the exhibition organizer, it may be necessary to arrange the collection of the exhibits on the next day after leaving the venue, but we will try our best to remove exhibits from the venue on the same day.

4. After all the goods are transported to the warehouse for temporary storage, they will be transported to the designated area or location according to the requirements of the exhibitors.

If the exhibitor fails to immediately decide on the transportation plan after exiting the venue, it will provide temporary delivery service, only charge for one-way transportation to the warehouse, and provide a 3-day free storage period according to the quantity of goods, will arrange delivery after the exhibitor confirms Re-arrange

Remark:

- ◇ The above prices are calculated in MOP.
- ◇ The above quotation generally refers to the transportation operation, customs declaration, and tariff of general goods. If it is a dangerous, polluting, or fragile goods, the cost will be quoted separately.
- ◇ The above quotation does not include insurance for goods or customs duties for special goods. If a special application for an export or import license or a special license, cost will be quoted separately.
- ◇ If the goods are food, meat, seafood, medicine, health care products, alcohol, antiques, mechanical and electrical products, etc., exhibitors need to provide relevant documents and license documents.
- ◇ If cargo need to be fumigated and disinfected during the quarantine process, the cost will need to be reimbursed.
- ◇ Due to the relatively standardized requirements of the customs department in mainland China for exhibiting goods, in order to avoid affecting customs clearance, exhibitors are required to submit all relevant documents and goods information at least 20 days in advance.
- ◇ For alcoholic goods with an alcohol concentration of more than 30%, it takes about 7 to 10 working days to apply for import documents in Macau.
- ◇ For food goods that need to be quarantined, it takes about 2 to 3 working days in Macao to apply for import documents and make an appointment for quarantine personnel.
- ◇ If the exhibitor notifies the arrangement after the deadline, it will coordinate with the actual delivery time and control the related costs to avoid increasing the logistics cost of the exhibitor; however, some necessary additional costs, such as the special overtime cost of personnel in customs /customs brokers, airport, pier, warehouse, etc., will be charged to exhibitors in the form of actual reimbursement.

Matters not mentioned in the above quotation shall be discussed further.
